CASE STUDY

AGILITY AND SCALABILITY IN ACTION

A major life sciences client tasked us with delivering **700 hires in Europe**.

Just days after the campaign launch, hiring volumes were more than tripled. Six months post-launch, we had successfully scaled up to make **3,200 hires** across multiple geographies.

We leverage our talent insights to help our clients find the best-fit, diverse talent hidden within their region and within their own organization, supporting efficient external hiring as well as internal mobility.

Short lists in countries where roles are hard to fill are developed up to 30% faster with Korn Ferry's RPO technology than via traditional methods.
